SCRATCHBOARD WORKSHOP

SATURDAY, OCTOBER 13, 2018 • 9:00-12:30

One-Day Workshop with Lori McAdams at the Southern Arts Society, Inc.

What exactly IS scratchboard - and how do you use it?

Join us at SASi for a hands-on learning experience with ALL MATERIALS PROVIDED!

This workshop will provide a brief overview of the medium, its history, its tools, and techniques, how to add color, and how to protect finished scratchboard drawings.

Each student will recieve two small scratchboards to use and keep after the class; scratch tools, ink, and brushes will be provided for their use during class.

This class will provide hands-on experience in two basic scratchboard methods: vignette drawing on a white background and drawing on a solid black background.

Cost:	**$50** for SASi members **$55** for non-members
Experience:	No experience necessary - suitable for both beginning and intermediate levels.
